Team: Clinical

Location: Escanaba, MI – Hybrid - Remote/in-person.

A Little Bit About Us: Currently located in beautiful Marquette, MI on the shores of Lake Superior. We are a growing multi-disciplinary health practice dedicated to providing outstanding care to our clients. We have a wonderful office space, dedicated support staff, and a mission to help others heal and realize their full potential.

Our Mission: Life Restoration and Wellness works diligently to restore the mental and physical health of our clients so they may live with passion, purpose, and direction.

Where and How You'd Work:

Life Restoration and Wellness is located in the heart of Marquette, Michigan, and we are expanding into the Escanaba, MI area. This is a hybrid position. The successful team member will begin with remote work, and transition into in-person care as case-load grows. We value our strong, unified team culture because we believe the best work is done together. We value work-life balance so we offer flexible work schedules to take the stress out of appointments, family obligations and other needs.

What You'd Do in This Role:

As a clinical therapist, you're a kind, caring, compassionate person who loves to see lives transformed. You'll use evidence-based and trauma-informed techniques to equip our clients to empower themselves to see their hurts healed, their mental health restored, and their lives changed for the better in a way that makes all of us at Life Restoration and Wellness Proud. You'll establish a presence in the Escanaba area, and grow with us!

You're Probably a Match If:

- You're fully-licensed as an LMSW or LPC in the State of Michigan (Required).
- You have 2+ years' experience in a role as a clinical therapist or counselor.
- You have great interpersonal, organizational and time management skills.
- You have experience or an interest in trauma healing.
- You have strong communication skills, both oral and written.
- You are certified in EMDR or other trauma therapies (or have a strong desire for training in this area).
- You are open to growth and development, with an understanding that building a full caseload takes time and consistency.
- You thrive in an environment where you work independently, with minimal supervision.
- You have a commitment to long-term growth, and an entrepreneurial spirit.

Preferred Qualifications

- Established CAQH profile and individual credentialing with Blue Cross Blue Shield, Aetna and United Healthcare
- Familiarity with TherapyNotes or similar electronic health record (EHR) systems.
- An existing referral network or recognizable presence in the mental health community is a plus.

What Winning Looks Like:

- Provide outstanding, evidence-based care to all clients by designing and implementing effective treatment strategies.
- Actively participate in growing and maintaining your caseload.
- Actively support other team members in achieving their goals.

Compensation and Benefits: Hourly - Flat rate and benefitted positions available.

- Range depends on case load, skill level, and overall experience.
